Mr. McClure,

I have a clarifying question with regard to Update 21. Under Druid Lake, you note that the design is 30% complete and due to be[have been] submitted in September 2014. What is the status as of November? Perhaps you can provide an update for Monday's discussion with EPA/MDE and Mr. Chow.

Thank you,
Lisa Donahue

On behalf of the City of Baltimore, Department of Public Works, Office of Engineering and Construction, the referenced Quarterly Report No. 21 is being transmitted in accordance with Articles 26 and 27 of the EPA Administrative Order on Consent and Article 3 of the MDE Settlement Agreement. The required copies will be sent via U. S. Postal Service. If you have any questions or require further clarification, please do not hesitate to contact either Mr. Shapiro at 410-396-3437 or Mr. Chow at 410-396-3310.
